

Hello there good evening! Are you on the lookout for a fine and well-groomed musical frame for your rave event? We have just the thing for you! Schleck and Stecker are equipped and experienced for every style of techno event. In the most reliable and dependable manner they bring a high nouveau with their incomparable live-set affecting an entertaining spout of of the boxes. imagine an unquenchable thirst. Thirst for the heavily perspiring female form, drawn out fel-las who thought they had things under control and on a cool and loose level, fortunately. And when the whip cracks not so sharp anymore there is a little something to sip on but shortly before the steamroller returns.

Schleck and Stecker make it happen on a won-too-three-for pace without the flatscreensoftwaremousepointerturnover, but rather grumm devices, circuit boxes and copper rugs (braided) between the devices. With illustrious names like crawl, ball and electro wall sounds.
